Hi Pradya

Thankyou, for that explanation. I will keep that in mind.

Regards,

Subject: Re: IronPortal Historical Bug

Hi Benedict,

The IronPortal Historical page should no longer be available, as it has already been replaced by the Dynamic Graph feature.

As per the current configuration, this page is only accessible to users with the Admin role. We can remove this page from the Admin access to ensure consistency across the system.

Please also note that the API supporting the Historical page has already been decommissioned since the Dynamic Graph went live. Therefore, the filter and download functionality on this page is no longer supported.

Thank you.

Regards,
Pradya

Hi Benedict,

We will look into this case and investigate the root cause.

We will keep you updated on any further progress.

Regards,
Okky

Subject: IronPortal Historical Bug

Hi BTech

This IronPortal Historical page is slow. Particularly choosing the filters.

Further I tried the below. Couldn't find any data and when clicked download all got a file extension error.

Can you please look into this and advise.
